“I liked the fact it was easy to understand. I have been to things in the past where housing jargon has been used and I didn’t know what it meant but I didn’t feel that I could ask.” John

Your tenant committee is a group of people who come together to tell us what they think about our services.

We need tenants like you, or people who support you, to join. You can help us do better and make sure people are happy in their homes.
